DJ Bobo

let's come together, and have some fun let's come together, we're dancing in the sun it's now or never, we take the chance the time is right we're gonna sing this song tonight

one step to the left, one step to the right don't stop to dance 'till the morning light the groove that keeps the world in motion all the people in the place in a deep devotion the rhythm like a heart attack the rhythm for a maniac the rhythm and the bass makes you wanna dance the time is right you better take your chance

shake it, make it, break it don't fake it everybody in the place it's time to take it let's come together play the music loud boom, boom, boom, check it out with the sound the rhythm like a heart attack the rhythm for a maniac the rhythm and the bass makes you wanna dance the time is right you better take your chance
