

Love of My Life

DJ Bobo

You are the love of my life
You are the key to survive
I need you by my side, every day, every night
I swear I love you
You are the love of my life
You are the key to survive
Wherever you go, I just want you to know
Stay here in my life

You are the only one who can take my breath away
For the rest of my life, I need you by my side,
My love for you still feels like on the first day
You are the queen of my heart
You are the love of my life

Sun always shines when you're near
Sharing your secrets my dear
You are the one I need
Without you I can't breathe
Give me one moment in time
I wish you'll always be mine
Nothing that I wouldn't do
You know I guide you through

You're the one that I love
Send from heaven above
You are the queen of my heart
Every breath that I take
Every move that I make
Loving you was worth the wait

I picture your face in my hands
Hoping this love never ends
I will be by your side
For the rest of my life
Give me one moment in time
I wish you'll always be mine
Live For each moment a day
And I hear myself pray
