

Roll Up

DJ Bobo

Yes roll up
You've got to roll up,
DJ Bobo roll up, roll up, roll up
So come on now

Come on everybody, take you on a trip
Forget the boredom "hey" and feel free like a kid
Listen to the music, listen to your heart
I know you've got the power for a brandnew start

Are you ready - Hey it's never too late
Get ready - Jo, you've got what it takes
Are you ready - Hey, forget what you know
Get ready - Ho, c'mon let's go

Listen to the congas, listen to the beat
Everybody young and old are dancing in the street
All the different colours, red or black or white
We're jamming to the beat, it's gonna be alright
