

The Soundtrack Of Our Lives

DJ Bobo

We keep the soundtrack of our lives tonight
And we can be forever young
Together we can dance and feel alright
Before the rising of the sun

We stay young, we stay free
That's, that's, that's, how it should be
It is hot, it is cold
Guess, why we never get old
Whether wrong or right
We'll be united black and white
Day and night, only music
With the bass and the rhythm, don't abuse it

Ah get up, ah get down
A simple phrase by Mr. James Brown
The big bass, the big beat
Is the motion to create the heat
Stand up, stand tall
This time I really want it all
Can you feel it, you can choose it
Don't you never, never, ever gonna lose it

I cuando estemos en la calle..
Todo el mundo las manos pal aire
Siente el ritmo y dale Ha!
Baile!!! todo el mundo las manos pal aire
Siente el ritmo..... musica y baile

The soundtrack of our lives
Music that will carry on
The soundtrack of our lives
Music that will keep us strong
