

# Time to Turn Off the Light

DJ Bobo

Now it's time to turn off the light  
Now it's time to - say goodbye  
Planet colors is coming back  
Once again - someday

Time was flying by, on silent wings  
Now we have to say goodnight  
Time was flying by, we gave our best  
Now we're turning off the light

The love you gave - is our strength  
We're now at the end - and soon we'll come back again

Time was flying by, the lights go off  
The curtain has to fall again  
Time was flying by, you gave us joy  
We say goodbye and wave our hands

Now it's time to turn off the light  
Now it's time to - say goodbye  
Planet colors is coming back  
Once again - someday  
Hope you enjoyed the show  
Now it's time to go  
We thank you for a party we will never forget  
Now it's time to turn off the light  
Planet colors, say goodbye, say goodbye

Time to turn off the light  
For saying good night  
We thank you for coming  
Time to turn off the light  
For saying good night  
We hope you enjoyed the show

Hope you enjoyed the show  
Now it's time to go  
We thank you for a party we will never forget  
Now it's time to turn off the light  
Planet colors, say goodbye, say goodbye

Being with you has been an important part of my life  
To see your smiling faces ,to feel your energy  
Knowing you've come a long way to be a part of the show  
We will always come back, whenever you need us  
From the bottom of my heart, I thank you
