

# Together

DJ Bobo

Together forever for all the time  
Together we welcome the secret sign  
Together in freedom we take the chance  
Together forever we will be friends

We are what we are - Together  
And we went so far - Together  
We are what we are - Together  
We all long for a land to be free

The promised land is close to you  
The rain is gone, the sky is blue  
Hand in hand we can survive  
We're fighting for a better life

It's a new generation  
Without hate and frustration  
Promised land, promised nation  
Without pain, without control

Planet earth is our place  
Insanity is lost in space  
A world of dreams is what we share  
Where honesty is in the air

Together forever for all the time  
Together we welcome the secret sign  
Together in freedom we take the chance  
Together forever we will be friends
