

Welcome To My Crazy Circus

DJ Bobo

Ladies and gentleman,
Welcome to my circus.
This will be a night to remember,
Spotlight on, because

Tonight is the night,
Come and take my hand,
In this wonderland.
Tonight is the night,
let the dreams come true.

Welcome to my crazy circus,
We all do this for just one purpose:
Make you laugh, make you smile,
Make you happy for a while.

Welcome to this big arena,
Watch the precious ballerina!
Come with me, come with me,
Together for eternity!

The band, the lights, the dancers, the costumes,
The clowns, the fireworks.

Welcome to my crazy circus,
We all do this for just one purpose:
Make you laugh, make you smile,
Make you happy for a while.

Welcome to this big arena,
Watch the precious ballerina!
Come with me, come with me,
Together for eternity!

Ladies and gentleman, this will be a night to remember,
Because, spot light on!
