

# Where Is Your Love

DJ Bobo

Where is your love  
Day and night I'm dreaming of you  
And I wish my dream will come true  
I need you, whatever I do  
Tell me where,  
Where is your love  
Day and night I'm dreaming of you  
And I wish my dream will come true  
I need you, whatever I do  
Tell me where, where is your love

Where is your love  
Where is your love  
Where is your love  
Where is your love

I - can't believe what you've done to me  
Now you're free  
How - could I fall for someone like you  
So untrue

I - feel so lonely again since you're gone  
I've been strong  
I - thought forever that you would be mine  
All the time

I need you - but maybe it's too late  
To turn back the clock, to say I will excuse myself,  
I'm here to respect you  
Touch you, feel you, that's what I want to  
You are - my only temptation  
One and one is two, I lost the vibration  
Nine to nine, there is no sunshine  
Without you my life has no colours and no time

Walking - till the end of the road  
For now and forever, I'll share your load  
When you're next to me, I felt so strong  
Seasons are changing, and now you're gone  
Feels long - but it's the right time  
Cuts like a knife, inside my mind  
This is my sign - the real love of my life  
Get out of my heart, I will survive

You're so special - this is the right word  
The more I think, the deeper it hurts  
Love - no isolation  
Think about togetherness, is my imagination  
Temptation, now you're far away  
Come back and stay, share my day  
Heart's still bleeding, mind is outta control  
You touched my mind, my body and my soul
