

# Wonderful Day

DJ Bobo

It's a wonderful day  
The night fades away  
See the sunrise in the sky  
It's a wonderful day  
Wake up don't stay  
Spread your wings and fly away

Children in the sun  
Playing games of fun  
See the beauty of this world  
Time is running fast  
Thinking of the past  
Find your way and see the light

Love is what we share  
Friends are everywhere  
See the beauty of this world  
Sunlight guides your day  
Try to find your way  
See the life in your own eyes
