

You Drive Me Crazy

DJ Bobo

I see an angel sent from high above
She looks so sweet
I see an angel, oh so beautiful
She's my fantasy

She looks at me, she smiles at me
I wanna feel her body close to mine
She looks at me, she smiles at me
But she's the devil, devil in disguise

You're a devil and you're
Hot hot hot hot
You drive me crazy cause you're
Hot hot hot hot
I wanna treat you like a lady
Come and be my baby
Cause you make me
Hot hot hot hot

You drive me crazy, crazy
You drive me crazy
You drive me crazy

You're the angel make my dreams come true
You drive me wild
You're the angel make me feel so good
So good tonight

You look at me, you smile at me
I wanna feel your body close to mine
You look at me, you smile at me
But you're the devil, devil in disguise

You're a devil and you're
Hot hot hot hot
You drive me crazy cause you're
Hot hot hot hot
I wanna treat you like a lady
Come and be my baby
Cause you make me
Hot hot hot hot

You drive me crazy
You drive me crazy

I want you baby, you are my lady
You got my heart and soul
That's why you make me crazy
I want you baby, you are my lady
You got my heart and soul
That's why you make me crazy

You're a devil and you're
Hot hot hot hot
You drive me crazy cause you're
Hot hot hot hot
I wanna treat you like a lady

Come and be my baby
Cause you make me
Hot hot hot hot

You drive me crazy
