

## Coming Back

DJ Dado

I believe in love  
One day you went away  
'Cause there were no more reasons to stay  
You just opened up the door  
oh baby and walked out of my life  
One day you'll come to me  
To say you never stopped loving me  
I will insist but I know  
All I want is you now  
Coming back coming back  
Coming back into my arms baby  
Coming back coming back  
Coming back into my heart  
(repeat)  
One day you walked away  
Cause there were no more reasons to stay  
[I'm trying to forget the past  
But I can't it's too hard for me now  
One day you'll come to me  
To say you never stopped loving me  
You will insist and you know  
I will not say no  
Coming back coming back  
Coming back into my arms baby  
Coming back coming back  
Coming back into my heart
