

Me & My Money

DJ Drama

ayyeeeee!

me and money go together
loved this since i first met her
if you touch it i get jealous
she do just what i tell her!
me and money go together
loved this since i first met her
if you touch it i get jealous
she do just what i tell her!

got the suckers on my side, looking might jealous ..

it ain't nothing you can tell us, your girl try to get near us

you talk a lot, i can't hear, she's curios, and i'm serious!

my money stash my girlfriend, drop by and i...

try to get money to the world and i will still face that...

so get a ring and count the fellows
cause m and money go together
we go in and...
i love it like my favorite...
damn, money gotta...
got me out these bad whores, got me out...

me and money go together
loved this since i first met her
if you touch it i get jealous
she do just what i tell her!
me and money go together
loved this since i first met her
if you touch it i get jealous
she do just what i tell her!

huh, started this shit out of wholly matrimony
if we break up she go charge me alimony
and if they found...
i'mma help her move to another country!
it ain't no secret... get money
boy.. you know we'll get money!
i come ready to play like super ball sunday
let 'em out to the... like the shit burning!
i play the cards i was dealt like ...
..so you know i gotta go for doubles
me and money, tell the truth, we make a good couple

break up with my girlfriend and i'm in trouble!

me and money go together
loved this since i first met her
if you touch it i get jealous
she do just what i tell her!
me and money go together
loved this since i first met her

if you touch it i get jealous
she do just what i tell her!

huh, she my girlfriend, so we sleep together
got a hundred grands in my f**king pillow
and if i have a problem then i go and get her
but tell the truth you know...
she stay with me sunny on a rainy weather
she really help a nigger, get his life together
my money, i hope you'll be my wife forever
make a hater sick, you'll have to take it...
baby we gonna tight the knot like a f**king...
make a hundred million children..
take a picture with my girl, don't we look successful?
i keep that bitch with me, so my life is never stressful!

me and money go together
loved this since i first met her
if you touch it i get jealous
she do just what i tell her!
