## So Many Girls

I got sand all by my bath water Candles by my wine glass Women all on my time Imagine how my time pass They say them freaks come out at night And you know who they came to see Even though she ain't mine I fucked her like we meant to be

So many girls in here tonight So many girls in here tonight

I'm just lookin' for the right one Exotic as they might come Better leave with two cause really I don't like one

So many girls in here tonight

Light skin, dark skin Sit your fine ass right there Come join at my table and don't question when tonight end Toss a couple dollars and she down for whatever Make no promises but promise I could fuck you better Fuck that singing shit, I be the shit That YM, too legit to quit You thinkin' that you better then that venus and serena shit I'm all up up on my ladies chick She saying it's the greatest dick I one-two stroke her We caught up in the moment, ayeee T-t-turn up, V12 and I burn up My chick that fly bitch And your bitch unheard of 4AM and we still poppin' bottles Probably have a new chick tomorrow Cause there's so many
