

Like OMG, Baby

DJ Earworm

Don't stop, you make me wanna say
Oh, oh, whoaaa, Tik Tok
Come here, rude boy, oh my gosh
We gotta fight, oh, baby, baby
Ooooooh, uh oh, Oh! Oh my god, don't stop

Everybody's looking for love
Oh, oh, oh, Tik Tok
Ain't that the reason you're at this club
We gotta fight, oh, baby, fight for this love
You only get one shot, baby, so in love
Don't stop
You ain't gon' find it dancin' with him
Can you hear me?
Got a better solution for you, girl
Can't you hear me fight?
Some people think I'm bonkers
For this love, we gotta fight
But I just think I'm free, so in love

Like baby, baby, baby
I didn't know much to love you, uh oh, Oh!
I can see you going down, going down
Like oh my god, like oh my god
Like baby, baby, baby
There's so many ways to love you, whoa
You got me screaming, ohhhhhhhhhh
Got me like, Oh-whoa-wha-oh
Oh-whoa-wha-oh, don't stop

Some dudes have all the right things to say
Oh, oh, oh, Tik Tok
When it comes down to it, it's all just a game
We gotta fight, oh, baby, fight for this love
You only get one shot, baby, so in love
Don't stop
Instead of talking, let me demonstrate
Can you hear me?
Get down to business, let's skip foreplay
Yeah, we gotta fight
Yeah, we bring the stars out
We gotta fight for this love, we gotta fight
Let's have a toast, a celebration
Get a glass out
And we can do this until we pass out

Like baby, baby, baby
I didn't know much to love you, uh oh, Oh!
I can see you going down, going down
Like oh my god, like oh my god
Like baby, baby, baby
There's so many ways to love you, whoa
You got me screaming, ohhhhhhhhhh
Got me like, Oh-whoa-wha-oh
Oh-whoa-wha-oh, don't stop

I wake up, everyday is a daydream

Yeah, yeah, I'm in charge now
Everything in my life ain't what it seems
I'm a star and I got my cards out
Too much clubbing just to go back to sleep
Not enough lovin', I'm in 2-D
Too much stuntin'
And all I care about is sex on heavy bass
Sitting there, singing it slow-like
I live a very wild lifestyle
Everybody says that I gotta get a grip
Disturbing London, baby
We about to branch out
But I let sanity give me the slip
We gotta fight, we bring the stars out
We bring the women
And the cars and the cards out
What I want, want, want
Is what you want, want, want
There's nothing crazy about me

Got me like baby, baby, baby
Don't stop, uh oh, Oh! Oh, whoa
You got me screaming, ohhhhhhhhhh
Got me like, Oh-whoa-wha-oh
Oh-whoa-wha-oh, don't stop
All night long, tonight, all night long
And I'm a little bit lost without you

And I was like baby, baby, baby
I didn't know much to love you
NO, like baby, baby, baby, oh
Like oh my god, like oh my god
And I'm like baby, baby, baby a-a-ah
There's so many ways to love you
Whoa, You got me screaming, ohhhhhhhhhh
Got me like, Oh-whoa-wha-oh
Oh-whoa-wha-oh, don't stop

I know you love me, baby, can you hear me?
There's so many ways to love you
Can't you hear me fight?
Baby, baby, oh, like
No, like, and I was like, baby, don't stop
