

United State Of Pop 2010 (Don't Stop The Pop)

DJ Earworm

Don't stop the pop
Can't stop the clock
So baby, let's go
I wanna celebrate
And I don't want the party to stop
Hey, ayo
Tonight we can get a little stronger
Tonight we can go a little longer
Can't stop the clock
Tik tok, don't stop the pop

I know a place
Where we can dance, dance, dance, dance
To "I Like It", "Rude Boy"
"Dynamite", and "Bad Romance"
I know a place
Where we can go, go, go, go, go
Giddy-up, babe
I can make your bed rock
Don't stop the pop

It happens all the time
A melody in my head
Make me wanna say
Let the time pass
We can let the beat rock
Now, now the DJ gonna play my favorite song

Don't stop the pop
Don't stop, baby
Can't stop the clock
So baby, let's go
I wanna celebrate
And I don't want the party to stop
Hey, ayo
Tonight we can get a little stronger
Hey!
Tonight we can go a little longer
Hey!
Can't stop the clock
Tik tok, don't stop the pop

We can dance
Woah, woah
Like it goes on and on and on
Like shooting stars, like shooting stars
Dance, until we die
Like it goes on and on and on
On and on and on and on and
Dance, like it's the last night of your life, life
Dance, like we'll be young forever
Dance, dance, dance like there's no tomorrow
There's just right now, now, now
'Cause we're never getting old

It happens all the time
I'm always hearing your

Melody in my head
Make me wanna sing
Let the time pass
We can let the beat rock
'Cause we gon' rock, rock, rock
When the music drops

Don't stop the pop
Don't stop, baby
Can't stop the clock
So baby, let go
One love, one love!
I wanna celebrate
And I don't want the party to stop
Hey, ayo
Tonight we can get a little stronger
Hey!
Tonight we can go a little longer
Hey!
Can't stop the clock
Tik tok, don't stop the pop

Let's go all the way tonight
I want it all, it all, it all
I just want it all
I just want everything
As long as it's free
Oooh, oooh, oh
I want it all

Ain't got no money in my pocket
But I wanna be a billionaire
Go, DJ!
Got my iPod on the stereo
I'm gonna write you a song
The world better prepare
Oh my gosh
Listen to my mix
On the radio

Hands up, hands up
Suddenly, we all got our hands up
Put your hands up
Now put your hands up
I throw my hands up in the air sometimes
Saying oh my gosh

Don't stop the pop
Don't stop, baby
I don't wanna stop
Spreading my wings
Like I'm in flight
Now let's fly away
If life is just a party
Then I don't want the party to stop
Hey, hey
Tonight I'mma let it be fire
Hey!
Tonight we can get a little higher
Hey!
Can't stop the clock
Tik tok, tik tok, tik tok, tik tok
Tik tok, don't stop the pop

Let's go faster, faster
Don't stop
Go faster, ayo
I'm stong enough to go all night
Baby, I don't want the party to stop
Hey
Everybody from New York to California
Hey!

Can't stop the clock
No regrets
There's not a thing that I would change
Can't stop the clock
We're unforgettable
Hey!
We're undeniable
So hot, we're on top
Tik tok, don't stop the pop
Woooah
Don't stop, baby
Woooah
You won't stop, baby
'Cause you're amazing
Just the way you are
