

## Show Me

DJ Encore

Won't you tell me  
If we're heading for a fall  
Are we still confused at all  
Won't you tell me

Tonight  
If we can move a little closer  
If we can get a little deeper  
We'll be complete

You got to show me  
Assure me  
Nothing will go wrong  
You got to show me

Why you're holding on  
You've got to show me  
Assure me  
Nothing will go wrong

You've got to show me  
Why you're holding on

Maybe  
You think it's not enough  
Can't you see I'm trying hard  
To be open

Tonight  
If we get a little closer  
If we get a little deeper  
We'll be complete

You got to show me  
Assure me  
Nothing will go wrong  
You got to show me  
Why you're holding on

You got to show me  
You got to show me  
You got to show me  
You got to show

You got to show me  
Assure me  
Nothing will go wrong  
You got to show me  
Why you're holding on
