

Starfall

DJ Fresh

Sky is tripping
With cold, light rain
The silence begs us to start again
Frozen clouds cover Mercury
Eyes wide open
So I can see

You are my star fall, star fall (2x)

Eyes wide open

Sky is tripping with clouds
The Silence begs us to start
Frozen clouds cover Mercury
Eyes wide open
So I can see
(2x)

You are my star fall, star fall (2x)
