I love you so, I'ma make a song called "I Love You So Much"
I love you so much, I love you so much, I love you so much
I love you so much, I love you so much, I love you so much
I love you so much, I love you so much, I love you so much
I love you so much, I love you so much, I love you so much
Me and my daughter taking over
Me and my daddy taking over
Me and my sister taking over
Me and my brother taking over
Me and my mama taking over
All of my sons we taking over
Me and my God taking over
And I'm so grateful, 'cause I
I love you so much, I love you so much, I love you so much
I love you so much, I love you so much ('cause I), I love you so much ('cause I)
'Cause I
I love you so much, I love you so much, I love you so much
'Cause I, 'cause I
I love you so much, I love you so much
Mom and Daddy, love you
There's nothing that you can't do
You the greatest that ever did it
You're born blessed
You're my son, I love you, you're my son
Cause I, cause I, cause I
You're my son, you're a mogul
You're an icon, you're a legend
You're the greatest, I love you, I love you so much
(Cause I, cause I, cause I)
Thank you so much for coming in my life
Me and my daughter taking over
Me and my daddy taking over
Me and my sister taking over
Me and my brother taking over
Me and my mama taking over
All of my sons we taking over
Me and my God taking over
And I'm so grateful, 'cause I
I love you so much, I love you so much ('cause I), I love you so much
'Cause I, 'cause I
I love you so much, I love you so much ('cause I), I love you so much ('cause
e I)
'Cause I
I love you so much, I love you so much, I love you so much
'Cause I, 'cause I
I love you so much, I love you so much, I love you so much
I love you so much and I
Thank you so much, I love you
You're my son
