DJ Khaled

I swear I never tell another soul  
Swear I never tell another soul

My PO wanna violate me  
(I swear I never tell another soul)  
Chop a whole 1 hunnid, let off 80  
(I swear I never tell another soul)  
I like bitches who like bitches  
(I swear I never tell another soul)  
These niggas talk just like bitches so...  
(I swear I never tell another soul)  
400 for the lamb, 550 for the room, nigga  
(swear I never tell another soul)  
600 for a pound, 550 for the O, nigga  
140 for the Porsche, 210 for the Bentley  
How to fuck a nigga hate to see a real nigga win it?  
(I swear I never tell another soul)  
(How to fuck a nigga hate?)  
Better ask about me, Dope Boy free  
Swear the god touched 10 mil, I swear  
(I swear I never tell another soul)  
Young nigga had no deal, street skills  
Big pistols, young nigga soo real  
If the town known, put the whole city on his back  
And they never took another soul  
Never took his back, let's get it

I swear I never tell another soul  
Swear I never tell another soul

Fuck niggas wanna live my life  
(I swear I never tell another soul)  
Who be down with the hoe done tell my wife?  
(I swear I never tell another soul)  
I guess me and you boy, we beefin' how  
(I swear I never tell another soul)  
I'll bust ya head when the time is right  
(I swear I never tell another soul)  
I know a nigga that's doin' life  
All because his Codeine had fo'  
All his hoe cars and the keys that he sold, that fuck nigga told  
His home boy was a Dboy, but he act like a CI  
Takin' notes like a PI, carried on like a peon  
You see a fuck nigga holler "FBI"  
I've seen him on first 48, said he had everything on tape  
And he the nigga with the gun and the drum  
And his hands hold and fuck nigga turned staple  
That nigga, that 5-0 told somethin' 'bout a nigga that put him on on death row  
These niggas too cutthroat, and as you knew, niggas got the game all fucked up

I swear I never tell another soul  
Swear I never tell another soul

We be riddin' in 'em mailbox cars  
Nigga, yeah that was us

I swear I never tell another soul  
We was kickin' In the door  
Nigga, we was quick to bust, yeah  
I swear I never tell another soul, yeah

I swear I never tell another soul  
Swear I never tell another soul  
I swear I never tell another soul  
Swear I never tell another soul
