I know I said Nas album done We The Best music!
But we got one more to do first Straight up
DJ Khaled!

150 stack it all in my Gucci Jacket Fifty more in the Goyard It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Yah yah yah yah yah It's secured, it's secured Got the Mansion on the island It's secured, it's secured Got them bitches flying private Its secured, its secured Foreign bitches and they wilding Its secured, its secured Hundred million keep on piling It's secured, it's secured Yah, yah, yah, yah, yah, yah It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Yah, yah, yah, yah, yah, yah

I'm principle driven, only real ones feel me Most needed protection from the OG's to get bigger No disrespect to them, but I never needed them older niggas Or so we thought speedin' through life like The speed of sound, what's your life like? Momma stressin', seen the ratchets in the dresser She not asking questions, seen the vests Seen other kids in the caskets restin' Life ill, 'cause most of my niggas in jail For them it was hustle or death, I reshuffled my deck I gave myself a good hand Probably ran through a hundred million Per decade, I'm not phased And I could spot you a hundred million Before you could ever spot grays Chili Fritos in the helicopter Money can't get that ghetto out'cha

Its secured, its secured
Foreign bitches and they wilding
Its secured, its secured
Hundred million keep on piling
It's secured, it's secured
Yah, yah, yah, yah, yah, yah
It's secured, it's secured
Yah, yah, yah, yah, yah, yah
It's secured, it's secured
Yah, yah, yah, yah, yah, yah
It's secured, it's secured
Yah, yah, yah, yah, yah, yah
It's secured, it's secured
Yah, yah, yah, yah, yah, yah

Watch out for insecure niggas They take your soul out your body They not secure I pray the Lord stop a 'op before I go backwards Resort to violent reactions, that's childish My life's a dream to rappers Afraid they moments have past 'em It's all different hustle (Straight up) Niggas movin' bricks Young niggas rappin', doin' shows, hittin' they licks Everybody hold this money in thicks Don't get robbed; boy, is you dumb All them swipers gettin' it how it come (Yep) Forty-three, morbidly ambiguous, you serious? Gettin' it, lyricist, idiots, you ain't nearin' this Out of New York's biggest and richest I'm the template, low-key the busiest The game chose me, deal with it So I'm the quiet type, Mr. One Mic But silent listen, use the same letters to spell it right, so hear me From Nasty, I'm mature, here's another appetizer Khaled, we did it again, let Travis take us higher

150 stack it all in my Gucci Jacket Fifty more in the Goyard It's secured, it's secured Yah yah yah yah yah It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Got the Mansion on the island It's secured, it's secured Got them bitches flying private It's secured, it's secured Foreign bitches and they wilding It's secured, it's secured Hundred million keep on piling It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Yah, yah, yah, yah, yah It's secured, it's secured Yah, yah, yah, yah, yah

100 mil keep on piling It's Nasir and Travis And Khaled That's right
