DJ Khaled

We The Best Music!  
Another one  
DJ Khaled! (Glee!)

I'ma go get that Wraith  
Jumping out with your bae, I just wanna get this paper  
I'ma do, I'ma do, I'ma do what it takes  
I'ma go get that cake, I'ma go pull a caper  
I'ma do, I'ma do, I'ma do what it takes  
I'ma go get that cake, I'ma go pull a caper  
I'ma go, I'ma go, I'ma go get that Wraith  
Jumping out with your bae, I just wanna get this paper

I got you, Khaled, it's Wizzop  
It's the Dapper Don going on a trapathon  
Serving coked out food and kush, I call it a triathlon  
In a red Don with an Amazon  
She pissed me off, I just found she got her panties on  
A year ago seen niggas get stabbed over honey buns  
It may sound funny to you, found out he got punctured lungs  
I just want the funds, I don't rap for fun  
I rarely post the money, I never post with guns  
Went from a robber to the upper upper echelon  
Just to get here I had to rob a couple Mexicans  
But free Kodak Black, bring Lil' Kodak back  
Cause they don't wanna see you move into their cul-de-sac

I'ma go get that Wraith  
Jumping out with your bae, I just wanna get this paper  
I'ma do, I'ma do, I'ma do what it takes  
I'ma go get that cake, I'ma go pull a caper  
I'ma do, I'ma do, I'ma do what it takes  
I'ma go get that cake, I'ma go pull a caper  
I'ma go, I'ma go, I'ma go get that Wraith  
Jumping out with your bae, I just wanna get this paper

It's do or die on my side of things  
Destiny is my livelihood  
I'm Iverson with the long braids  
Three cellphones with the gold fronts  
Wild thing 'til I Yao Ming  
Five rings, past nine seasons  
Big money, that's our thing  
Heavyweight, I Ali 'em  
Featherweight how I leave 'em  
Heaven's sakes, God's need 'em  
Bob weave rock the Colosseum  
I'm the biggest nigga, you got gonorrhea  
Baddest bitches make my collage  
Biggest buds make my cigars  
Basic bitches and custom cars  
Blow jobs in the SLR's  
Realest ones wanna watch you shine  
Smoking good and I'm talking facts  
Iced out like DJ Khaled  
Burn it down with Kodak Black

I'ma go get that Wraith  
Jumping out with your bae, I just wanna get this paper  
I'ma do, I'ma do, I'ma do what it takes  
I'ma go get that cake, I'ma go pull a caper  
I'ma do, I'ma do, I'ma do what it takes  
I'ma go get that cake, I'ma go pull a caper  
I'ma go, I'ma go, I'ma go get that Wraith  
Jumping out with your bae, I just wanna get this paper
