

# Rep My City

DJ Khaled

This for those that chose to sleep on Pits  
Not knowing I had a plan for every letter in the alphab-tch  
My life's been diarrhea boy I've been through some sh-t  
Turned it all around and now my bank account is oh sh-t  
Could have took the coke route, heroin boy dope route  
Chevy gets dressed up, choppa's get chocked out  
AK Quatro Siete dale mete machete  
Perico's been a part of my life since I was chupando tete  
I went from buildings with dope holes and boys with gold fronts  
To f-cking dope hoes and houses with beach fronts  
I hit a lick yeah muthf-cker my life changed  
But chico won't change, I'm forever Dade  
Invest in my future so I'm forever paid  
I don't play games f-ck boy I ain't EA  
Go ahead and hate me til I'm dead in the ground  
I'm D-A-D-E Dade county

I'm all in and I rep my city till I die  
As long as I'm thinking and breathing I'm gon ride  
On the east to the west side  
Kept it 100 so I'm good for life  
Give a damn what a hater gotta say  
Make it this far I'm a do it my way  
I'm a do it my way, do it my way  
Give a damn what a hater gotta say

I rep my city, rep my city  
Rep my city, rep my city  
Rep yo city, rep yo city  
Rep yo city, rep yo city

Miami's red cross when they need me I'm there  
I'm from the era when there was gang wars at the Youth Fair  
I'm ten years ahead of the game, I know it ain't fair  
Used to go to Santa's Enchanted just to pull on Santa's beard  
Sat on Santa's lap and showed him some crack

And told him for Christmas all I want is coke that comes back  
Something about a 75k a show,  
Next year it will be 300 per show yeah fo sho  
Pits always had it on lock  
I'm from the bottom b-tch ya'll can keep a f-cking top  
My dog Look at the way that Chico been running the crib  
From rocking stages with uncle Al Virginia key  
To rocking sold out crowds at MSG  
And I ain't from New York I'm a Dade county representer  
Dat right fo sho let's ride

[Repeat Chorus:]
