Snap your back

Turn up the base grind em all the...
... my space I s*ck... the place... in the middle check out my
face
Get out my sack
No space in the... hole up in the little school
I would... don't try... that's why... in the base

Kick... base... take her on a...
Kick clap dance... to the kick

what can it be
Dj want to me
I roll smile the same
be a 6 in the morning
back through the door
I met I even got a chance to
Hope your hands got customate revolution ready in the
The base of the

800 keep flooding 800 keep
