

Lil Jon Speaks!

DJ Mustard

Ladies and gentlemen what's happenin?
It's yo boy Lil Jon
Today we are here to take about the next generation of west coast producers
This motherfucker killin the motherfuckin game right now
Up tempo shit, he's killin that shit
The homeboy DJ Mustard
The young generation killin this shit
Ya'll heard him kill the motherfuckers with
RIP, ya'll heard this motherfucker killin em with I'm different
And it's so many other motherfuckin records I can name
But I'm not gonna... I don't even have to do that
The man is official
It's yo boy Lil Jon
Ya'll know I made some of the biggest west coast records that are still lastin
I gotta give all props to Dr Dre
He's the number 1 but you know I still got records that are representin the west coast
Even though I'm from the south that are still killin it
Like Blow The Whistle from Too \$hort
Tell Me When To Go - E-40
Plus a bunch of other shit
Ya know what I mean?
Um but it's about DJ Mustard right now, ladies and gentlemen, DJ Mustard
If you don't know, get motherfuckin familiar
Get on Google, get on beam
Get on motherfuckin whatever you need to do
Search this motherfucker
And hear the fuckin awesomeness of this cold ass nigga
Lil Jon I'm out, bitch yea!
