

Tinashe Checks In

DJ Mustard

God damn, **** it's hot as ****
Roll down the windows, turn on the AC or turn on some music or
something, **** you got me ****ed up
Let me see what's on the radio
I'm tired of this shit, I'm tired of this ****a

Mustard - 92.3 radio, it's a beautiful day in the city right now
I know everyone's out doing their thing, it's summertime, but I
need all my sexy independent single ladies,
if you don't need a ****a for shit call me up right now, like right
****in' now

Would it be a mistake if I put it down on you?
I'm not into games I've been feeling lonely, so are you
We should do the damn thing
Let me hit the shower, are you comin' through?
Give me about an hour and I'll be ready **** you talkin' 'bout?
We don't even speak, we just do the nasty
That way we make a Used to love to see my ****a happy even though
you brought baggage
Did everything you asked me but you was gettin' ratchet
Now we got damage, you let these other ****es have it
You let these other ****es have it
You let these other ****es have it
You let these other ****es have it
