## **Back Da Fuck Back**

It's on now...You know a lot of folks ask me why I call myself the king of memphis Basically cause niggas studying us you know what I'm saying Alot of shit that we doing niggas want to do you know what I'm saying We brought the first platinum and gold plaques to the city We representing the city We did the first movie you know what I'm saying holding it down Now all of a sudden everybody want to be a hypnotize minds or hypnotize camp posse You know niggas want to dis me and talk shit I show half of these niggas to stay on beat you know what I'm talking 'bout But it's cool though we can play if you want to play

I'm a snitch nigga killa 3rd ward gun spitter Belonged triggas with them hydro shots nigga I'm the man in the man since before you (yean know) Rocking shows fuckings hoes waiting for you (yean know) Riding clean cut green maine before you (yean know) My old crib money in bank before you And I'm a pro with a 4-5Try to test me bitch don't try to make me out a fucking lie I never go against the fucking grain But if you cross me first I got to show you I'm a fucking mayn I had some niggas in my clique that I'm glad they gone And it's some niggas in my clique that I hate they gone Cause right here it's 'bout that business not that bullshit If you winning 'bout that business get the fuck trick Before I buck trick you better duck trick Or get ran over by them black fucking trucks bitch

Don't point a gun unless you gonna use it (back the fuck back) Don't pull a gun unless you gonna do it (back the fuck back) Don't let a nigga like me beat you to it (back the fuck back) You better you use it you better do it (back the fuck back) Back the fuck back nigga back the fuck back Back the fuck back nigga back the fuck back Back the fuck back nigga back the fuck back Back the fuck back nigga back the fuck back

Sir Lord your highness, majesty, king Hit the stupid niggas with the boom ping ping Cut'em down or hold with the sling blade sling Tape the mouth up so they don't hear you scream A butcher knife wont leave a big enough scar I'ma leave yo ass with a sharp bite mark Rip off yo sleeve beat the breaks of your bitch Trick ass pigeion you motherfucking snitch Then I take yo guts then I'll drill then spit them From these kind of hurts you can't use penicillin A boy is harder than 4 large chilly Oh nigga I would love to just beat yo ass silly Every route you run you down on your knezees Take it to the lord I'll put yo in the frezeeze My favorite hobby is hiding niggas bodies A real killa like to work clean not sloppy
