

# Another Night Another Dream

DJ Rankin

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night I dream of a love so true

Just another night, another vision of love  
You feel joy, you feel pain  
'Cause nothing will be the same  
Just another night, it's all that it takes  
To understand the difference between  
Lovers and fakes, oh baby

I talk, talk, I talk to you  
In the night in your dream of love so true

I talk, talk, I talk to you  
In the night in your dream of love so true

In the night, in my dreams  
I'm in love with you  
'Cause you talk to me, like lovers do  
I feel joy, I feel pain, 'cause it's still the same  
When the night is gone I'll be alone

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night I dream of a love so true

Just another night, another dream  
Another vision of love,  
And we are here to set you free  
I am the lover, your lover  
Hey, sister, let me cover your body with my loving  
Is my loving just a number

Vision of love that seems to be true  
We will do all the things that only lovers do

Vision of love that seems to be true  
We will do all the things that only lovers do

In the night, in my dreams  
I'm in love with you  
'Cause you talk to me, like lovers do  
I feel joy, I feel pain, 'cause it's still the same  
When the night is gone I'll be alone

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream, but always you  
In the night I dream of a love so true

I talk, talk, I talk to you  
In the night in your dream of love so true

I talk, talk, I talk to you

In the night in your dream of love so true

In the night, in my dreams  
I'm in love with you  
'Cause you talk to me, like lovers do  
I feel joy, I feel pain, 'cause it's still the same  
When the night is gone I'll be alone

Another night, another dream, but always you  
It's like a vision of love that seems to be true  
Another night, another dream.
