

Heart

DJ Rankin

I know there's something in the wake of ur smile
I get emotion from the look in your eyes (yeah)
You built to love well that love falls apart
Your little piece of feather turns to dark

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do
I don't know were your going
And I don't no why
But listen to your heart
Before... you tell him... Goodbye

Sometimes you wonder if this fight is worth while
The pressures moments are all lost in the tide (yeah)
There swept away and nothing is as it seems
The feeling of the worry to your dreams

Listen to your heart
When he's calling for you
Listen to your heart
There's nothing else you can do
I don't know were your going
And I don't no why
But listen to your heart
Before... you tell him... Goodbye
