

Human Kind

DJ Rap

I'll leave humankind behind somehow
I'll leave everything to time somehow, somehow

I can't believe you hear me screaming
Ooh you don't know how did I get to here
And even though I'm barely breathing
Ooh you should know don't need this atmosphere

I'll leave humankind behind somehow
I'll leave everything to time somehow

I wanna leave it all behind
Leave it all behind
Leave it all behind
Leave this all behind

There's no defeat my heart is bleeding
Ooh can't stand this downside
And though your love should be
Redeeming I'm not sure if we
Can make it right

I'll leave humankind behind somehow
I'll leave everything to time somehow

Leave I tall behind
Leave it all behind

I wanna leave it all behind
Leave it all behind
Leave it all behind
Leave this all behind

I wanna leave (4x)
I wanna leave this all behind
