

## Beautiful Smile

DJ Sammy

My love is like a turing wheel  
it is spinning, spinning around  
Waking up see your beautiful smile  
I know every second counts  
My love is like a turning wheel  
it is spinng spinng around  
Sunny days and i call your name  
I'd do anything, just for your love

Just for your love  
And if I stumble  
And if I fall  
Will you help me?  
Help me back on the ground  
When im confused  
And afraid of the dark  
Will you hold me tight, and show me all of your love?

(If I Fall)

My love is like a turing wheel  
it is spinning, spinning around  
Waking up see your beautiful smile  
I know every second counts  
My love is like a turning wheel  
it is spinng spinng around  
Sunny days and i call your name  
I'd do anything, just for your love
