DJ Shadow

Hello Lester,
We're having a quieter time around here now.
But we really wished you were up.
Well, one thing is pretty hot up here too.
And look where everywhere I go,
I draw heat - period.
You heard what the man said.
Well it's really been a lot of fun being up here,
This is the best vacation I've ever had,
And I guess I'll leave Friday,
I'll get there maybe Saturday,
Not later than Sunday.
Take care of yourself,
I know you have been,
And bye bye and see mamma.
Sincerely yours,
Nobella Johnson
