

## Scale It Back

DJ Shadow

I swear I saw blue light  
My feet followed it outside  
And I thought I heard someone say  
Fly far away  
And when you reach up the sky is there

This clueless weather know  
We swing the waves, and let it go  
Until I heard someone say  
Over a horizon and beyond  
Oh, where you're reach and knocked over stars

Like light I came from pocket finesse  
Every moment I see with eye closed  
Take me to places where we can start  
Like light I came from pocket finesse, every

Nothing can steal this treasure from us, babe  
I'm still in luck- now  
Fighting the sounds

Take chances and come closer to me babe  
I'm fallin' out - now
