DMX

Keep yo' hands in the air, cause we gon' take you there  
And I know it ain't fair, but we just don't care..  
Uh-huh, uh, what

Ain't no other cats got love for me  
Ain't no cats gon' bust slugs for me  
Ain't no cats gon' shed blood for me  
But my dogs, is gon' be a thug for me  
(2x)

Uhh, uhh  
If I'm gonna rob, I'mma rob all night  
If I'm lookin for somethin it's probably a fight  
If I'm goin fuck bitches then they better be tight  
If that's dead, then the head better be right  
If I gots to play I'mma play til I win  
Since I gots to be here can't wait to begin  
Wanna fuck shorty can't stand shorty friend  
Cause honey friend fuck many many men  
Stay wit the rats cause the rats is real  
Wanna fuck, then we fuck, already know the deal  
Shit, fuck what you look like, just show the real  
And I keep spot that we can go to chill  
I love my, get down for the hoes  
Only reason I come around is for the hoes  
Pipework - I lay it down for the hoes  
Hit em off with that dark brown, you know?

Ain't no other cats got love for me  
Ain't no cats gon' bust slugs for me  
Ain't no cats gon' shed blood for me  
But my dogs, is gon' be a thug for me  
(2x)

Y'know fuckin wit me, ain't keepin your health right  
Cause me and my Rolls, we keep it jail tight  
The shit I pack is heavy, but the shell is light  
When they drop the same time, you drop without a fight  
Burnin anything that I'm puttin my name on  
You might take a 'Drag', but you can't flame 'On'  
I know y'all niggas to homey, wit a chain on  
When it come to the fire I'm the kid they blame it on  
When you see like eight cars then y'all know who we are  
Niggas spittin mean bars off the green jar  
Never drunk but you see me leaned at the bar  
Spittin fire that'll melt the ice on your arm  
You had that but for now dog give me that  
Cause dog you don't wanna see how my semi act  
Fake hustlin niggas you'll pump any pack  
When it come to this shit, I done laid plenty flat (C'MON!)

Ain't no other cats got love for me  
Ain't no cats gon' bust slugs for me  
Ain't no cats gon' shed blood for me  
But my dogs, is gon' be a thug for me  
(2x)

Do you hear what I tell you? Understand what you hear  
Don't let nobody tell you, what to hope and to fear  
Do you hear what I tell you? Understand what you hear  
Don't let nobody tell you, what to hope and to fear

Uhh, uhh  
What you niggas want? Cause I got it right here  
Y'all niggas front, then I hit you right there  
Not really impressed by what niggas wear  
Faggots talk shit but I really don't care  
I'm the type of nigga that'll die for the cause  
Fuck what you heard, I will die for my dogs  
Ain't scared of shit - will ride in the fog  
Same thing but a bigger size than yours  
I fuck with Drag-On, cause he spits the flame  
Drag-On motherfucker don't forget the name  
And we all takin over ain't shit the same  
If you ain't out that mob nigga quit the game  
And ain't no other cats got love for me

Ain't no other cats gon' shed blood wit me  
But my dogs, is gon' be a thug wit me, c'mon!
