

I come to you hungry and tired  
You give me food and let me sleep  
I come to you weak  
You give me strength and that's deep  
You call me a sheep and lead me to green pastures  
Only asking that I keep the focus in between the chapters  
You give me the word and only ask that I interpret  
And give me the eyes that I may recognize the serpent  
You know I ain't perfect, but you'd like me to try  
Unlike the devil who just wants me to lie till i die  
Lord why is it that I go through so much pain?  
All I say was black. All I felt was rain.  
I come to you because it's you who knows  
You showed me that everthing was black because my eyes were closed  
You gave me the light and let me bask in your glory  
So it was only right that when you ask for this story  
I put it together to do our dogs some good  
Our dogs being brothers and sister in the 'hood  
Plenty of times you sent help my way but I hid  
And I remember onve you held me close but I slid  
There was something that I just had to see  
That you wanted me to see so I could be what you wanted me to be  
And i think I've seen it, 'cause I don't feel the same  
Matter of fact I know I've seen it, I can feel the change  
And it's strange it's almose got me beating down your door  
But I've never know love like this before  
It's a wonderful feeling to get away from the pain  
And up under the ceiling I get away from the rain  
And the strain that I feel when I'm here is gone  
I know real so I wipe away the tears with a song  
And I almost lost faith when you took my man  
Monty, Paso, and Jay's brother Dan  
And I fear that what I'm saying won't be heard until I'm gone  
But it's all good 'cause I'm really didn't expect to live long  
So if it takes for me to suffer, for my brother to see the light?  
Give me pain 'till I die!  
But please Lord, treat him right
