

## The Prayer VI

DMX

In the name of Jesus  
Let us pray  
Father please walk with us through the bad times as well as the  
good  
May we be heard and understood from the suburbs to the hood  
May you judge us by our hearts and not by our mistakes  
And see that we get a breakthrough however long that it takes  
May you fill that void in our souls that will lay our fears to  
rest  
Cause there is no way we can live for Jesus when we're livin in  
the flesh  
So I pray that you allow our spirits to be born  
Go strong move on know right from wrong  
First John chapter 2 verse 15  
do not love the world or anything in the world and we know what  
that means  
But listen, we know the distance we need to be away from fire t  
o keep it missing  
That doesn't mean we'll listen  
Lord you take care of fools and babies  
You teach women to honor their men and men respect their ladies  
But lately so many of us have gone a stray  
Doing wrong for so long that we've forgotten the way  
Please bring us back home and still in us the word witch is our  
backbone  
Which is children that act grown  
There is so much that we're entitled to yet we receive so littl  
e  
Cause in this time of spiritual warfare we're comfortable in th  
e middle  
So I pray that you open our eyes  
Give us the anointing to recognize the devil and his lies  
If we keep our actions wise, our prayers sincere, our heads to  
the sky  
You will diminish our fears  
In Jesus' mighty name we have prayed  
Amen and Amen
