

# We Right Here

DMX

Uh, uh, uh, uh

Bring it! What?  
We right here  
We're not goin anywhere  
We right here  
This is ours and we don't share  
We right here  
Bring your crew cuz we don't care  
We right here  
Uh, uh, uh

One mo' time,  
I gots to hit the streets off, make the streets talk  
Let 'em know it ain't a sweet walk  
This gone be  
The only joint made this year that'll knock 'til 2003  
And y'all gone see  
That the hottest nigga out there, was, is, and will be me  
Just like that  
I can go away for a minute, do some other shit, but bounce right back  
And when it's on  
I'm comin strapped, with some shit that'll spit from dusk 'til dawn  
And when you gone  
Ain't no comin back in the morning, like that shit was a dream  
Nigga you gone  
That's for real  
Creep niggas like a seal, totin steel, stick a nigga make him squeal  
Oh my God  
Those can't be the last words of ya man, damn ya man was so hard  
Come on!

Bring it! What?  
We right here  
We're not goin anywhere  
We right here  
This is ours and we don't share  
We right here  
Bring your crew cuz we don't care  
We right here  
Uh, uh, uh

Here we go again  
How many million did my last one sell? Fuck it, I'm goin for ten  
It's never gone stop  
And ever fuckin time I hit you, it's goin straight to the  
top of the charts  
The champion  
I'm a thoroughbred, my blood is strong, and I scratch 'til you done  
Cross the line  
And ain't no more scratches after that, straight up, ni66as is dyin  
Yo, what the fuck  
Is you cats doin runnin around like this, like you won't get stuck  
Yo, that's my word  
I stay givin it to ni66as, and I stay not really being heard  
But, y'all gone see  
That the same things thou done to them, will be done to thee

And then you'll know  
That sometimes though you come thru the front,  
you leavin out the back do'  
Come on!

Bring it! What?  
We right here  
We're not goin anywhere  
We right here  
This is ours and we don't share  
We right here  
Bring your crew cuz we don't care  
We right here  
Uh, uh, uh

Bring the noise  
And you better come with niggas you don't give a f\*\*k about,  
Cuz you gone lose your boys  
Cuz we don't play  
My silencer will silence any cocksucker with somthing to say  
Dog for life  
Whether I'm on or off the leash I bite, streets are my life  
Click click boom {\*gunshot\*}  
Another life taken too soon, another mother had a funeral  
Still waters run deep  
And the pain is forever alive inside, makes it hard to sleep  
But I keep goin, goin  
Shit I'm always careful when I walk, I'm always seein, knowin  
The dog gone live  
Stay walkin the wire, over the fire, when I can I give  
The dog is good  
And how it's stayin dog gone f\*\*k with the hood  
The dog f\*\*k with the wood

Bring it! What?  
We right here  
We're not goin anywhere  
We right here  
This is ours and we don't share  
We right here  
Bring your crew cuz we don't care  
We right here  
Uh, uh, uh  
(2x)

We right here  
Uh, uh, uh
