## **Fantasy**

I wish I could fly away from here unto a place for You and me relax ya mind (relax ya mind) and I'll fulfill your fantasy Well I wanna be ya fantasy but I got to keep it real I'm a pimp I can't show love cause I got too many chicks on the side and I love to smoke and ride so you recognize a true thug fill the game I go out like two slugs ya think ya ass is da bomb you too bugged anyway I can take you on a little cruise and we can do the things ya really really wana do cause I'm a man I believe in friends I can give a little if you let me in we can hit the city in a roma benz we can fly to coon with the mexicans but ya gotta plan when the sex begins and I don't really mind if ya lesbien we can be a trio if you bring ya friend call her then, we could bend, strait to the crib and pop the cris pour loui'wee you do me most be little over to me but I can't help it just to be me original po p-i-m-p dobb hats city sharp do you really want to be my fantasy my fantasy I wish I could fly away from here unto a place for You and me relax ya mind (relax ya mind) and I'll fulfill your fantasy (2x) Thats yo friend and she goin say hes a pimp don't get caught up in many conversation my name was brought up you need to check your homie but not tonight you involved in something thats oh so right lay some pipe, sip on some remy and stay the night close the vertical blinds searching for line medical physical burden of mine un button her blouse how can I obtain this inner ambitous lust roll back yo gucci dress recieve the touch, sexual thoughts that leading us, is it me or you who tried to resist got you convinced lost in the mist grabbing the sheets and balling her fists close your eyes go deeper than this ex-hale and carress, the way it was meant I guess its another way that we vent but please don't hickey lick me

wishful whisper what you need I'm going to get the entire picture I wish you wish

```
I wish I could fly
away from here
unto a place
for You and me
relax ya mind (relax ya mind)
and I'll fulfill
your fantasy
(2x)
```

I put the latch to the front door in the scene thats down town mo mo one chick had the look of an nympho and my conversation just to a essential make a ma take a puff like indo layed back in the drop while the wind blow little momma drink bel or hen-oh pretty eyes thick thighs at the side door she benificial to a man like me oh walked in wit a passion kiss on her neck while we laughing she be giving up her ass hun, acts dumb do you want fly wit me belo wana take a trip wit me belo I can make you happy and this I know fly to Italy chris to the floor do you wanna man that can sound like me all day niggaz that be out like me here to make you look and bounce like me original po p-i-m-p dobb hats city sharp do you really want to be my fantasy my fantasy

I wish I could fly away from here unto a place for You and me relax ya mind (relax ya mind) and I'll fulfill your fantasy (2x)
