

Call Me A Fool

Doc Walker

Oh girl, I don't know what to say
I feel you love me less each day
You seem so far away

And there's not a kiss that's strong enough
I could give to keep your love
To change my mistake

So you packed your bags, said you needed a break
And you left me here to wait
So you might come back some day

So I'm holdin' on
In spite of what they say
They said "Man she's gone?"
And only a fool would wait

And call me a fool
'Cuz I'm a fool
With no where else to be
And nothing left to do

Call me a fool
'Cuz I'm a fool
There's no where I'd rather be
Then waiting here for you

So call me a fool
Oh, girl the time goes by so slow
Just staring at the door
Just hoping you'll walk through

So if I hang on long enough
Would I be worth your love?
'Cuz that's something I could do

I'm just holdin' on
Despite of what they say
They said "Man she's gone?"
And only a fool would wait
And call me a fool

Still holding on
In spite of what they say
They said "Man she's gone?"
And only a fool would wait

Then call me a fool
'Cuz I'm a fool
With no where else to be
And nothing left to do

Call me a fool
'Cuz I'm a fool
There's no where I'd rather be
Then waiting here for you

Call me a fool
'Cuz I'm a fool
