

# The Show Is Free

Doc Walker

I'm gonna live forever, just wait and see  
I'll turn into leather from the sun on me  
So stick around my fair weather friends the show is free  
I'll be on some highway until I fall

And I'm gonna do things my way or not at all  
You can see it or you can dream it, that's your call  
I won't let this small town be the life for me  
When there's so much more out there I haven't seen

Now, I'm on my way, radio playing, beautiful day  
Where I lay my head is where I'm meant to be  
Yesterday is out of sight, I don't know where I'll sleep tonight  
It's a great big world out there and it's all for me and the show is free

I'm not trying to sell you on anything  
I'm just trying to tell you what I see  
Take a look around my friend, the show is free

Now, I'm on my way, radio playing, beautiful day  
Where I lay my head is where I'm meant to be  
Yesterday is out of sight, I don't know where I'll sleep tonight  
It's a great big world out there and it's all for me and the show is free

Now, I'm on my way, radio playing, beautiful day  
Where I lay my head is where I'm meant to be  
Yesterday is out of sight, I don't know where I'll sleep tonight  
It's a great big world out there and it's all for me and the show is free  
The show is free, the show is free, the show is free
