Keep On The Sunny Side

Doc Watson

There's a dark and a troubled side of life There's a bright and a sunny side too Though we meet with the dark nest of strife The sunny side we also may view

Keep on the sunny side Always on the sunny side Keep on the sunny side of life

It will help us every day
It will brighten all our way
If we keep on the sunny side of life

Though the storm and its fury breaks today Crushing hopes that we cherish so dear The clouds and storm will in time pass away And the sun again will shine bright and clear

Let us treat with a song of hope each day Though the moment be cloudy or clear Let us trust in our Savior old ways He will keep us everyone in His care

Keep on the sunny side Always on the sunny side Keep on the sunny side of life

It will help us every day
It will brighten all our way
If we keep on the sunny side of life
