

## John Hurt

### Does It Offend You, Yeah?

Bending back my fingers  
in a pledge to helm you out  
i will not fall, i will not fall again.  
Don't push me from my faith,  
cause god knows i'll start lashin' then,  
i'll take it out, i'll take it out on you.

Move out of my fucking way.  
cause im coming through again!  
Move out of my fucking way,  
cause im coming through again!

Oh the diction of a smile  
And no desire wait you out  
But I guess we're done  
with what's become of you  
Look up into the devil's eyes  
And see the moldable  
He takes it out, he takes it out on you.

Move out of my fucking way,  
cause im coming through again!  
Move out of my fucking way,  
cause im coming through again!

Don't you think you've had enough?  
Don't you think that you don't understand?  
You don't understand.  
Don't you think you've had enough?  
Don't you think that you don't understand?  
You only understand, when I'm gone

We're not dead yet..  
We're not dead yet..  
We're not dead yet..  
We're not dead yet..

Don't you think you've had enough?  
Don't you think that you don't understand?  
You dont understand.  
dont you think you've had enough?  
dont you think that you don't understand?  
you only understand, when I'm gone
