

We Are the Dead

Does It Offend You, Yeah?

I know the time you spent with me,
It wasn't easy.
I know the time you spent with me,
It wasn't easy.
Well, we all fall down now and then,
But we'll raise the dead again.

I know the time you spent with me,
It wasn't easy.
I know the time you spent with me,
It wasn't easy.
Well, we all fall down now and then,
But we'll raise the dead again.
