

# All Night

## Dog Eat Dog

you work like a dog 5 days a week it sounds bleak and you feel  
it's never gonna end I recommend that you chill for a sec take  
a deep breath and think about the weekend where you are going to  
what you gonna do you spend 5 days dying now live it up for 2  
I'm talkin' friday, saturday nothin' really matter day take it  
to the limit and recover on sunday! paycheck cashed, no respon  
sibility free to lose your mind and enjoy the insanity time to  
be lazy time to get crazy monday morning comes it'll all be haz  
y What I say? no price to pay from a pawn to a player and an al  
l night sprayer going hard you're the man give yourself a big h  
and made it through the week now it's off to the promise land

come on, come on everybody let's get together and party let's s  
tart this party right gonna lose your minds tonight looking all  
around the world calling all my dogs and girls if you feel it  
sing along gonna party all night

now it's time to shine let them see how it's done you need to s  
how the people what it means to have fun get up on the table if  
you're willing and able prove to everybody that you're mentall  
y unstable no room for that here leave your problems at the doo  
r let your hair down get out on the dancefloor nobody staring a  
in't nobody caring can't hear anyway cause the music is blaring

now the party's rockin' and there ain't no stoppin' and to keep  
it jumpin' we need the music pumpin'

let's get this party started we'll let you get retarted we only  
want to play so where my dogs at? where my girls at?

c'mon, c'mon everybody!
