Cannonball

Dog Eat Dog

seperate but one is how we exist like fingers and thumbs together a fist ready to strike in daylight or night for our right to party we gonna fight we want to play so get in the way you'll be destroyed it's your hell to pay cannonball - gonna tell you who you are messin' with cannonball - original skate party clique cannonball - blowing spots like a terrorists cannonball rolling together watch out you better protect your home defend your scene mess with the dogs you get the teeth new jack vikings the hijacking team cannonball - now I'll tell you who you are messin' with cannonball - original skate party clique cannonball - blowing spots like a terrorists cannonball - we be the skate punk anarchists fired at you like a cannonball we're a wild tribe filled by alcohol go of the roof with a cannonball emptying your pools we gonna skate the walls oh oh oh cannonball we came, we saw - conquered it all broke down the walls go cannonball
