

If These Are Good Times

Dog Eat Dog

Yeah yeah look here what I got for you
I can hear you inside screaming
feed me the juice
There's nothing left for you to do
I got get mine no time to be sorry

If these are good times

Hey man ya got some spare chane
for me brother?
All I need's a little somethin'
You see me sittin' here face to the gutter
All 'ya pass me by ridin' high
If the last one dead's a rotten egg
Maybe I'm better off a bad egg

All we know
If these are good times
