

My Frustration

Dog Eat Dog

it's the lone competitor corporate predator deprogramming minds
of the weak, deaf and blind whose user? you is a consumer slav
e to the advertising it's time to realize that we have the powe
r to shot you down but for now put a no go on your logo steady
feeding your press release media who's a puppet? tell'em stuff
it

recognize they commercialize homogenize your life! marginalize
and capitalizing building up my spite

corporation, manipulation - your intention my frustration mass
production, distribution vile pollution, no solution

hyper consumer afflicted with name brand tumors aw shoot keep m
e out of that unfocused group not trying to have it not your de
mographic no concidence power influence fake funds false grant
s buy me no chance non profit non issue watch it - they tap you
what's worse coerce seduce for loot no fooling y'all her's the
scoop

recognize they commercialize homogenize your life! marginalize
and capitalizing building up my spite

corporation, manipulation - your intention my frustration mass
production, distribution vile pollution, no solution

recognize they commercialize homogenize your life! marginalize
and capitalizing building up my spite

corporation, manipulation - your intention my frustration mass
production, distribution vibe pollution, no solution
