You're just like the kid next door Still too young and immature You always seem to hang around When you're not wanted you're always found

Why do you embarrass me (why me) So everyone can see (can see) Us duke it out on live TV

Hey, Rocky, I hate to say
I wish you would just go away
Don't come back another day, OK

Hey, Rocky, I hate to say
I wish you would just go away
Don't come back another day, OK

What did you come here for Don't wanna be insecure It's about time that you went home So go away leave me alone
