

## Rat on a Sinking Ship

Dog Fashion Disco

Another dead end,  
Amidst the skeletons  
Another martyr  
Is a rat on a sinking ship

We love the odysseys  
And menstruating on  
Another victim is a rat on a sinking ship

They prayed  
To calm the ocean  
But the sea only swelled  
Capsized,  
Swallow the ocean  
What did become of your tears

Grotesque and ignorant  
Before they came to rest  
Another victim is a rat on a sinking ship

Leeches and heretics  
Pitiful parasites  
Another judas is a rat on a sinking ship

They prayed  
To calm the ocean  
But the sea only swelled  
Capsized,  
Swallow the ocean  
What did become of your tears

I can't shoot, this smile off your face  
I cannot look you in the eyes  
I can't shoot, this smile off your face  
I cannot look you in the eyes
