

Sexual Abyss

Dog Fashion Disco

Porno king and queen
Live in a luxury commode
High above the city
Where they rape each other's throne
Be it a swollen rod,
Or a sopping hole,
A prelude to a kiss
Your majesty will come
Thrust up inside your sexual abyss
Working in the sack
Will never break your back
When your a gigolo and a business man
Well we fuck all day
We fuck all night
To feed this mother-fucking appetite
S&m, leather gimp, before you leave
You must may the pimp
And if I go a little deeper baby
I'll never go to far
If I go a little deeper baby
You might be a star
