

Never Die

Dogwood

Faith like a rock,
The size of a seed,
Eternal life,
It's all you need.

Work your will,
My life is yours,
Rejoice in You Lord.
My faith in you will never die.

Live fast,
Die slow.
Stand back,
Let go.
Choose life.

You'll see,
How awesome it is when God sets you free,
Live eternally.

Forever, I trust in you.
